DISTRICT NUMBER SEVEN  
BOARD OF TRUSTEES  
REGULAR MEETING OF JUNE 25, 2014**

**TAB 3**

**ACTION**

**Subject: 2014-15 Student Services and Activities (SS&A) Budget**

**Background**

Note: The 2014-2015 Student Services and Activities Budget Proposal was submitted and presented to the Board of Trustees at its May 28, 2014 Study Session.

Executive Summary from the 2014-2015 Student Services and Activities Budget Proposal

The Student Services & Activities (SS&A) Fee at Shoreline Community College is the primary source of funding for student programs and clubs on campus. These clubs and programs provide students with the opportunity to participate in extracurricular activities at the college.

Students who participate in these programs gain learning opportunities that the classroom doesn't always provide. Student programs are extracurricular in nature, meaning that what students learn in these programs and what they experience will differ from what they learn and experience in the classroom environment. Students who participate in these activities either have the chance to take what they have learned in the classroom and apply it in an out-of-classroom setting, or gain new knowledge or skills as a result of their involvement in an activity. Though SS&A-funded activities are extracurricular, they are still focused on student learning and success.

The SS&A Committee would like to propose a fee-neutral budget to the Board of Trustees. This proposal will provide \$1.2 million of funding to SS&A-funded items for the 2014-15 academic year.

**Recommendation**

It is recommended that the Board of Trustees approve the SS&A budget proposal of \$1.2 million for the 2014-15 academic year as presented at the Board's May 28, 2014 Study Session.
