

Verification – V1 Worksheet Dependent Student

FEDERAL STUDENT AID PROGRAMS: Your application was selected for review in a process called “Verification.” In this process, the Financial Aid Office compares information from your FAFSA application with your and your parent contributor(s) financial documents. We are required to review your FAFSA information under financial aid program rules (34 CFR, Part 668). The law says we have the right to ask you for this information before awarding federal aid. If there are differences between your application information and your financial documents, corrections to your FAFSA may be required.

If 2022 income tax information for the student and/or parent contributor(s) could not be transferred, the student and/or parent contributor(s) should provide the financial aid office with a 2022 Tax Return Transcript(s) or a signed copy of the 2022 income tax return. **IRS Tax Return Transcripts can be obtained online at www.irs.gov/individuals/get-transcript, by phone at 1-800-908-9946, or by completing an IRS Form 4506-T www.irs.gov/pub/irs-pdf/f4506t.pdf (year requested - 12/31/2022).**
